(Written by the 4th and 5th Grade Sunday School Classes)

Leader J. Poston

As a baby, Moses was saved from the river by Pharaoh's daughter. God called him from a burning bush to lead His people. As the Israelites fled from the Egyptians, Moses raised his arms, the Red Sea divided, and they walked on dry ground.

With man this is impossible but with God all things are possible.

In a crowd of hungry people with only five loaves of bread and two fish, Jesus fed over five thousand people with a lot of food left over.

With man this is impossible but with God all things are possible.

Daniel prayed three times a day giving thanks to God. He was arrested for praying to God and was thrown into the den of lions. The next morning Daniel was lifted out of the den without a scratch on him.

With man this is impossible but with God all things are possible.

The widow of Zarephath had only enough flour and oil for one last meal for her son and herself. Elijah came and asked for some bread. He promised the widow that she would always have enough flour and oil until the Lord would send rain again.

With man this is impossible but with God all things are possible.

Open the Eyes of My Heart

Open the eyes of my heart, Lord
Open the eyes of my heart
I want to see You
I want to see You (Repeat)

To see You high and lifted up
Shinin' in the light of Your glory
Pour out Your power and love
As we sing holy, holy, holy

Open the eyes of my heart, Lord
Open the eyes of my heart
I want to see You
I want to see You (Repeat)

To see You high and lifted up
Shinin' in the light of Your glory
Pour out Your power and love
As we sing holy, holy, holy

Holy, holy, holy
We cry holy, holy, holy
You are holy, holy, holy
I want to see you (Repeat)

Closing Prayer

J. Smith

Benediction

Jude Benediction

J. Weavil

Now to Him who is able to keep you
Who is able to keep you from stumbling
And to make you stand in the presence
Of His glory, blameless with great joy

To the only God our Savior
To Jesus Christ our Lord
Be all glory, majesty, dominion and power
Before all time, both now and forever. Amen

Postlude "Andante"

K. Caviness-Thames

When Shadrach, Meshach and Abednego wouldn't bow down to the statue King Nebuchadnezzar had made, he had them thrown into the fiery furnace. When King Nebuchadnezzar looked into the flames they were walking around with a fourth person. King Nebuchadnezzar called them out of the furnace. He saw that the fire had not touched them. They didn't even smell like smoke.

With man this is impossible but with God all things are possible.

(Please stand.)

After Jesus was crucified he was placed in a tomb. A large stone was rolled in front of his tomb to make sure his disciples didn't try to steal his body. On the third day when the women went to the tomb they found the stone rolled back and his body gone. The angels told them, "Why are you looking for the living among the dead? He is not here; he has risen!"

With man this is impossible but with God all things are possible.

Amazing Grace

Amazing grace! How sweet the sound
that saved a wretch like me!
I once was lost, but now am found,
was blind but now I see.

When we've been there ten thousand years,
bright shining as the sun,
We've no less days to sing God's praise
than when we'd first begun.

Let us pray

God of Wonders, we thank you for making all things possible for us. Thank you for being with us at Friedland. Please give us the courage to do the tasks you set before us. Help us to remember that with you all things are possible. In Jesus name we pray

Amen.

Following worship this morning members of our Youth Fellowship will be standing at the exit of our sanctuary to collect our "Miracle Sunday" offering to support the creation of the Youth Assembly Room located under our music room.

The Lovefeast

I search for you Lord in the washing and churning of ocean's tide
I look for your presence in all of the brightness of morning's sky,
I wander through fields of clover and flowers that smell so sweet
I feel the brown earth and soft grass under my feet.

Chorus

Lord, I know you're not far away
God, I reach for you each day
You are my life, you are my way

I stand in the city and notice the people who live and die
I look in their faces and see the nothing of years gone by
I weep for the heartache and all of the dreams that are shattered here
I feel the dark shadows, the loneliness and the fear.

Chorus

Lord, I wonder in all that is and all of time,
Will the power of love and peace be known to humankind?
Will oceans and skies and fields and flowers ever know?
That we are here because you love us so.

Rick Sides & Jimmy Newsom, Jr.

I, the Lord of Sea and Sky

I, the Lord of sea and sky, I have heard my people cry.
All who dwell in deepest sin my hand will save.
I who made the stars of night, I will make their darkness bright.
Who will bear my light to them? Whom shall I send?

Chorus

Here I am, Lord. Is it I, Lord?
I have heard you calling in the night
I will go, Lord, if you lead me.
I will hold your people in my heart.

I, the Lord of snow and rain, I have borne my people's pain.
I have wept for love of them, they turn away.
I will break their hearts of stone, give them hearts for love alone.
I will speak my word to them. Whom shall I send?

Chorus

I, the Lord of wind and flame, I will tend the poor and lame
I will set a feast for them, my hand will save.
Finest bread I will provide till their hearts be satisfied.
I will give my life to them. Whom shall I send?

Thy Word

(Chorus)

Thy word is a lamp unto my feet
and a light unto my path.
Thy word is a lamp unto my feet
and a light unto my path.

When I feel afraid, think I've lost my way
still you're there right beside me
And nothing will I fear as long as you are near
please be near me to the end.

Chorus

I will not forget your love for me and yet
my heart forever is wandering
Jesus be my guide and hold me to your side
and I will love you to the end.

Chorus

In the Bulb There Is A Flower

In the bulb there is a flower; in the seed an apple tree;
in cocoons, a hidden promise: butterflies will soon be free!
In the cold and snow of winter there's a spring that waits to be,
unrevealed until its season, something God alone can see.

There's a song in ev'ry silence, seeking word and melody;
there's a dawn in ev'ry darkness bringing hope to you and me.
From the past will come the future; what it holds, a mystery,
unrevealed until its season, something God alone can see.

In our end is our beginning; in our time, infinity;
in our doubt there is believing; in our life, eternity.
In our death, a resurrection; at the last, a victory,
unrevealed until its season, something God alone can see.

Light the Fire

I stand to praise you, but I fall on my knees
My spirit is willing, but my flesh is so weak...

So light the fire (light the fire)
In my soul (in my weary soul)
Fan the flame (fan the flame)
Make me whole (make my spirit whole)
Lord you know (Lord you know)
Just where I've been (where I've been)
So light the fire in my heart again.

I feel your arms around me as the power of your healing begins
Your spirit moves through me like a mighty rushing wind...

Dennis Jernigan

You Are My All In All

You are my strength when I am weak,
You are the treasure that I seek,
You are my all in all.

Seeking you as a precious jewel
Lord to give up I'd be a fool
You are my all in all.

Jesus, (you're the) Lamb of God
Worthy is your name.
Worthy is your name.

Taking my sin my cross my shame
Rising again I bless your name
You are my all in all.

When I fall down you pick me up
When I am dry you fill my cup
You are my all in all.
