Loving God, through Christ Jesus who strengthens us, we commit ourselves to making this world a place where grace, mercy and peace are not in short supply.

**Teach us to work for justice, to love mercy, and to walk humbly with our God.**

Renew our faith, that we may run and not be weary, walk and not faint.

**Renew our hope, that we may rise up from pessimism like the flight of eagles.**

Renew our love, that justice may roll on like a flood, and righteousness like an ever-flowing stream.

**O my God, let me walk in the way of that love which does not know how to be selfish.**

Let me love you just for yourself, and nothing else but in you and for you.

**Let me love nothing instead of you. Let your love work in me and by me, and let me love you as you would want to be loved.**

You alone are our help and hope. You alone are our health and happiness.

**Give to us persistent faith in the ongoing redeeming work of Christ Jesus. Remind us each morning of your ability to bring good out of evil and rebirth out of death. Let us know and trust the Spirit who neither faints nor grows weary.**

God of majestic, unspeakable glory, help us to remember the miracle of your incarnate, redeeming love in Christ Jesus, who is making all things new.

**Show us the next steps we can take. When we stumble, let us not be discouraged, as long as we have stumbled while walking your paths. Through Jesus Christ our Lord, we pray. Amen.**
