

Friends & Family,

We have a special opportunity to show God's love in action by helping a family who was displaced after Hurricane Helene. Over the past several months, many Moravian congregations from across the country have stepped up, offering financial support and volunteer labor to rebuild what was lost.

The Joint Boards of Friedland Moravian Church have committed to raising \$4300 to purchase and install kitchen cabinets. This is one of the final steps toward making this house a home again. This group has pledged \$500 toward this goal and we are inviting you, our church family and friends to help meet the rest.

Together, we can finish this renovation and offer a family not just shelter, but hope and restoration.

Please prayerfully consider how you might give. Every gift brings us closer to our goal, and closer to blessing this family with the warmth and dignity of a true home.

Please make your checks out to Friedland Moravian Church and in the memo Lansing Project.

In Christian Love,  
Trustees and Elders  
Friedland Moravian Church
